Create Your Own
Purple Tuesday Pledge Wall
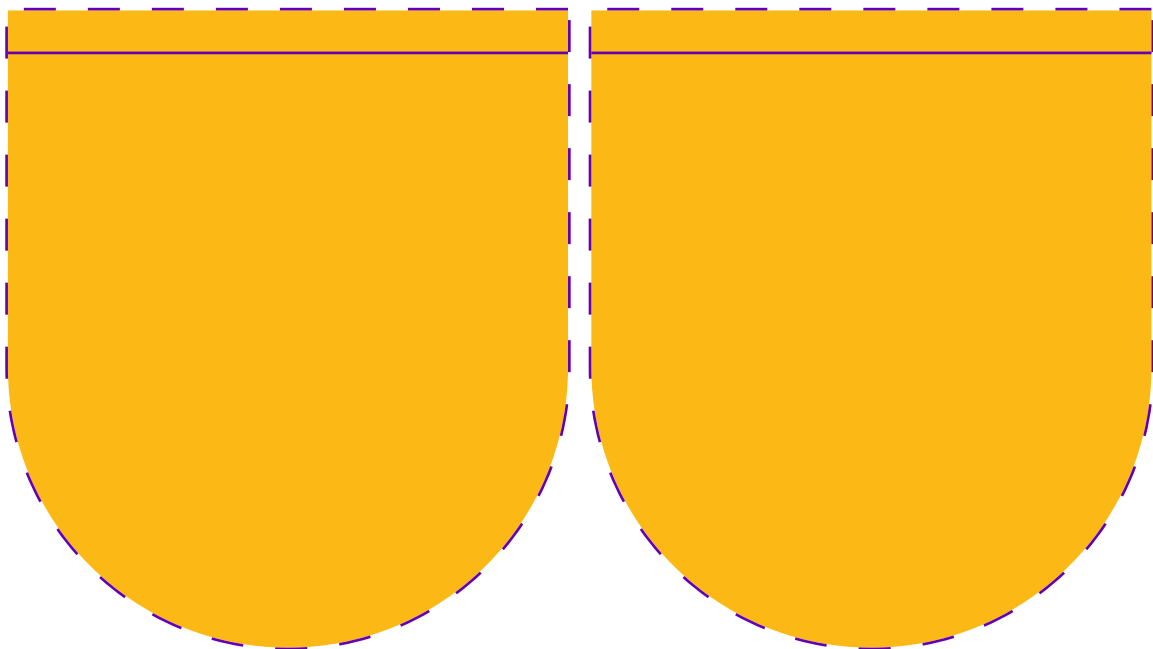

Guidance and Printable Assets to create your own Pledge Wall

How to assemble your Pledge Wall;

1   Order your <u>Purple Post-it Notes</u> via Amazon 🔗

2   Print off your bunting focusing on the amount of flags you may need to fill your space at the top of your board/frame/area.

3   Arrange your bunting flags along some string - cutting and folding at the guidance lines.

4   Pin the bunting string along the top of your board/frame/area.

5   Print off your Bunting Text and cut along the guidelines (discarding the lilac edging).

6   Arrange the Bunting Text as laid out on the visual guide (or something similar) and stick/pin to your board/frame/area.

7   Place your post-it notes and some pens on a table next to your board/frame/area, ready for people to write their pledges and invite them to find a space to place their post-it not on your board/frame/area.

Printable Bunting

Simply print out as many sheets as you like,
cut, fold and hook onto a length of string
(Glue the flap down to help secure to line)

Solid Line: Fold

Dashed Line: Cut
